Why did you chose AMBS?

"I chose AMBS for its Global recognition and it's prized reputation in the corporate sector. Graduates from AMBS are most sought after in the job industry."

"Opportunities like these, which give you such a holistic overview of the modern day business scenario does not come easy. So go for it!"

How did your time at AMBS help you in your current role?

"I landed into the most sought after role as HR Business Partner in October as soon as I completed my master's in September 2018.

"My time at AMBS has helped me to grow on a personal and professional level. The industrial exposure I have received during my 1 year course is equivalent to a lifetime of learning."
