

Manchester Business School Conference facilities

Why Manchester Business School?

There's nowhere else like it for conferences. At the heart of one of Britain's most vibrant cities, close to motorways and rail networks, with a hotel and a unique combination of facilities under one roof, it's a superb location for your event.

We have one of Europe's leading business libraries, up-to-the-minute IT resources and an observation facility where you can remotely monitor and record sessions. Whatever your conference needs, it's here in abundance.

Space for up to 200 delegates

Our conference rooms cater for groups of up to 200 people. All rooms have natural daylight and wireless access.

Impressive catering

We offer an excellent restaurant, private dining rooms and lounge bar. We have the flexibility to tailor menus to meet individual requirements and special dietary needs.

AV and IT support on hand

We have a full range of conference amenities and information technology services.

Relaxing, well-appointed onsite hotel facilities

We have 101 ensuite bedrooms with satellite TV, radio, telephone and coffee/tea making facilities, along with a bar, restaurant and private dining rooms.

Easy to get to

Close to the motorways, a mile from Manchester City Centre and intercity services and 20 minutes from Manchester Airport.

Our facilities

Meeting rooms and conference theatres

Conferences for 200, board meetings for six – whatever you're planning, you'll find we have the perfect sized venue for you, from a superb multi-media conference theatre, through seminar rooms to smart, intimate meeting rooms. We can tailor packages to make the most of your budget.

Catering services, restaurant and bar

Our catering staff are happy to help you plan catering for any event from formal buffets, pre-dinner drinks and canapés, working lunches and VIP dinners – with advice on wine selection and menus to suit all dietary requirements. We can even host barbecues in impressive surroundings.

Presentation facilities

We provide an impressive array of AV equipment, services and support staff enabling your presentations to both small and large groups to go smoothly and professionally:

- Data, DVD and video large screen projection
- Networked PCs
- Recording equipment
- Sound systems and PA
- Observation lounge
- Video editing suite
- Video and telephone conferencing

Business services

The Business School is home to the Eddie Davies library – one of the leading business and management libraries in Europe. It gives you a wide range of databases to work from, including specialist financial datasets, market research and an extensive collection of company annual reports.

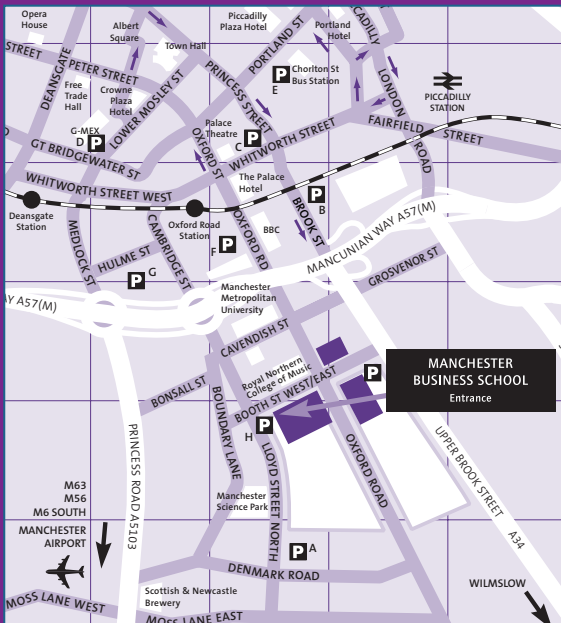

Manchester - the city

Manchester's cafés, bars and nightclubs are a key attraction, and visitors will also find orchestras, opera and musicals.

With its roots in the industrial revolution, Manchester has always been at the forefront of business thinking. It is one of the top 20

European cities for doing business, and second in the UK, (Cushman & Wakefield, Healey & Baker European Cities Monitor, 2004).
