

Manchester Leadership Development Programme

Enhancing the skills of managers for a leading future in the global business world

PROGRAMME AGENDA		Block 1	Interblock One	Block 2	Interblock Two	Block 3
<p>The Manchester Leadership Development Programme is comprised of 3 x 3 day blocks delivered over six months – giving you enough time to become immersed in new ideas and approaches, but not too long to be disruptive to your organisation.</p> <p>Pre-Programme: Your learning journey starts before the first residential block. Using the Virtual Learning Environment we will share short blogs, videos and readings to get you thinking about the key themes of Leadership.</p> <p>Strategy and Commercial Excellence. You will complete a comprehensive collection of self-assessment tools to help you understand your leadership DNA and the leadership climate you create. You will also share with the other delegates, via the Virtual Learning Environment, your Applied Learning Challenge and a short profile about yourself. Every delegate will also have an orientation conversation with the Programme Director.</p> <p>Post-Programme: Your learning journey continues after the last residential Block</p> <p>Two weeks later: Every delegate will receive 1.5 hours of Executive Coaching to reflect on progress throughout the programme, agree medium-term postprogramme development objectives and support you as you deliver the solutions to your Applied Learning Challenge</p> <p>Over the next year: You will receive two additional Executive Coaching sessions along with an invitation to the Executive Education Network Conference.</p>	<p>Course Content</p> <p>Your Leadership DNA</p> <p>The Leadership Climate you create</p> <p>Introduction to coaching and coaches</p> <p>Meet your Learning Trio</p> <p>Show and Tell your Organisation’s strategy</p> <p>Successfully positioning your business</p> <p>Demystifying financial jargon</p> <p>Customising your interblock sessions</p>	<p>A combination of delegate-led and core subject sessions, covering Leadership, Strategy and Commercial Skills.
