Manchester Means Business

Alliance Manchester Business School
Undergraduate Study – 2019 Entry
Your world is about to change so choose a world-changing university

The University of Manchester

From pioneering modern computing to isolating graphene, The University of Manchester has a heritage of producing innovative, freethinking individuals. This reputation is not just about history, it’s an ongoing legacy that you can be a part of.

A member of the prestigious Russell Group of universities, Manchester offers a learning experience like no other. Academic programmes informed by cutting-edge research, teaching staff at the forefront of their field, a highly-revered careers service, and state-of-the-art facilities; there’s everything you need to make your mark on the world.

Alliance MBS

One of the foremost centres for business and management studies in the world. We’re ranked second in the UK for business research power (REF 2014) and we focus on the application of this knowledge throughout our programmes.

We are undergoing an ambitious transformation - our £85 million Alliance MBS building project will provide an inspiring space for students to learn, research, collaborate and focus on personal study.

For more information visit www.alliancembs.manchester.ac.uk/buildingproject

40,490 students from over 160 countries at the University

Our courses will give you the tools for life. Our campus and city, the time of your life.

**NEW Alliance MBS Building**

Opening 2018

We’re currently redeveloping the teaching and social spaces for our students as part of a £85m refurbishment of the Business School.

200,000 sq ft will be transformed to create a new learning library, lecture theatres and seminar rooms.

For more information visit www.alliancembs.manchester.ac.uk/buildingproject

**£1bn Campus Masterplan**

This project is one of several currently underway as the University forges ahead with its £1 billion ten-year plan to create a world-class campus for students and staff.

The plan includes projects across our teaching facilities and student accommodation as well as the creation of additional green space and parkland on campus.

For more information visit www.masterplan.manchester.ac.uk
Manchester. Ahead of the curve. Ahead of the game.

Where Manchester treads, the world follows. Ask any of the people who live and work here.

There are many reasons why Manchester is renowned around the globe. But to the people that live here it’s simply known as home. With its indisputable charm and welcoming communities, you’ll find it quickly becomes your home too.

The ultimate student city with one of the largest student populations in Europe (>92,000)

The University of Manchester is one of the most popular universities in the UK in terms of applications to our degree courses (source: UCAS)

One of the most diverse cities in the world with over 200 languages spoken

A city of firsts
Where Rolls met Royce, the first computer was made and the world’s first professional football league was founded

-35%

World-class sports facilities including the Aquatics Centre and National Cycling Centre

35% lower cost of living compared to London (source: Numbeo) but only two hours away by train

Home to MediaCityUK – a leading international hub for the creative and digital sectors

A musical hotbed
The Smiths, Oasis, The Stone Roses and Joy Division all formed in Manchester

Home to the UK’s third largest airport with direct flights to over 200 destinations worldwide

The most visited city in England outside London (source: Visit Britain)

## BSc (Hons) Management / Management (Specialism)

### What you study

#### Year 1

Your first year will give you a good grounding in accounting, finance, management, work psychology, marketing, sociology and economics. This will help you to make informed choices about optional course units in later years. You will study 120 credits in total.

#### Year 2

Your second year course structure is determined by whether you select a specialism or prefer to continue to study a broad range of topics.

### Year 1 core course units [credits shown in brackets]

- Academic and Career Development [10]
- Case Studies in Management [10]
- Economic Principles [10]
- Financial Decision Making [10]
- Fundamentals of Management Accounting [10]
- Introduction to Management and Organisation Studies [10]
- Introduction to Work Psychology [10]
- Marketing Foundations [10]
- Quantitative Methods for Business and Management [20]

### Year 2 core course units

#### BSc (Hons) Management (Accounting and Finance)

- Foundations of Finance [20]
- Intermediate Management Accounting [20]

#### BSc (Hons) Management (Human Resources)

- Employment Relations and HRM [20]
- Globalisation and Employment [20]
- Plus Law in a Management Context [10]

#### BSc (Hons) Management (Innovation, Strategy and Entrepreneurship)

- Creativity, Design and Entrepreneurship [20]
- Foundations of Strategy and Innovation [20]

#### BSc (Hons) Management (International Business Economics)

- International Business [20]
- Economic Analysis I: Firm, Market and the Economy [20]

#### BSc (Hons) Management (Marketing)

- Marketing Communications in the Digital Age [20]
- Marketing Management [20]

#### BSc (Hons) Management (Sustainable and Ethical Business)

- Ethical Business [20]
- Sustainable Business [20]

### Year 2 optional course units

- American Society and Economy [20]
- Business Data Analytics [20]
- Business Law 1: Law, Business Liabilities and the Consumer [10]
- Business Law 2: Law and Modern Corporation in an International Context [10]
- Financial Markets and Institutions [10]
- Financial Reporting and Accountability [20]
- Financial Statement Analysis [10]
- Investment Analysis [10]
- Managing Projects [20]
- Operations Management and Strategy [20]
- Personnel Selection and Talent Management [20]

### Year 1

"Management is a very broad and flexible course and it is possible to align it to your own interests. You will graduate with a huge network of talented people around the world."

— Daria Savilova,

BSc (Hons) Management graduate, now a Senior Account Manager at Brightcom
Work placement

If you successfully apply for a work placement this will take place between your second and final year. You will put theory into practice, develop transferable skills and gain an insight into your chosen profession.

Previous BSc Management students have completed work placements at Airbus, Bank of England, Bentley, Boeing, Deloitté, Energizer, IBM, L’Oréal, Porsche, Unilever and Warner Bros. Entertainment amongst others.

Final year optional course units

In your final year, you will choose at least 60 credits of final year options from your chosen specialist area, as listed on the right.

You will then select an additional 60 credits of optional course units to bring your total to 120 credits.

These additional credits can be chosen from any specialism, or from the wider management portfolio, which includes (but is not limited to) the following course units:

- Accountability and Auditing [10]
- Applied Investment Management [10]
- Corporate Governance in Context [10]
- Decision Analysis for Business and Management [20]
- Financial Engineering [10]
- Financial Market Microstructure [10]
- Foundations of Supply Chain Management [10]
- Share Prices and Accounting Information [10]
- Transformational Leadership: Work, Industry and Society [40]
- Trends in Digital Business Technology [10]

An additional 10 credits may be chosen from University College (see page 38) and up to 20 credits from the University Language Centre.

If you do not wish to specialise, you will choose 120 credits from across the management portfolio, including any of the specialist course units.

My placement has given me a better understanding of how a global company like Airbus operates; the various departments and the role they play in running day-to-day operations to meet annual goals and objectives.

— Muhammad Ali, Engineering Operations Co-ordinator at Airbus

Previous BSc Management students have completed work placements at Airbus, Bank of England, Bentley, Boeing, Deloitté, Energizer, IBM, L’Oréal, Porsche, Unilever and Warner Bros. Entertainment amongst others.
Study abroad with an international exchange year

First-hand knowledge of another culture can be crucial in business. The distinctive feature of these courses is a year abroad at a top global business school or university.

Study a broad range of topics to suit your interests and career ambitions, and gain invaluable experience of living and studying in another country.

Our students have also secured summer internships in the UK and abroad to further enhance their employability. So, you could study at two world-class institutions, benefit from extensive travel opportunities and gain added work experience. There’ll be no stopping you after graduation.

What jobs do IM and IMABS graduates go into?

Examples include:
— Associate management consultant
— Corporate banking associate
— Market analyst
— Media consultant
— Territory manager
— Wealth management analyst

Who employs them?
Global employers, such as:
— Bombardier (Sweden)
— Crown Worldwide (San Francisco)
— Danier Leather Inc (Toronto)
— Deloitte (Luxembourg)
— Google
— HSBC (Beverly Hills)
— Tevere (Switzerland)

What about further study?
Graduates have gone on to further study in digital marketing, entrepreneurship, real estate and strategy at Harvard, University of Mannheim and Erasmus University.

At the Ohio State Buckeyes’ epic 105,000-seater stadium - Anika Morjaria
BSc (Hons) International Management and BSc (Hons) International Management with American Business Studies

— What you study

Year 1
Your first year will give you a good grounding in accounting, finance, management, work psychology, marketing, sociology and economics.

This will help you to make informed choices about optional course units in later years. You will study 120 credits in total.

Year 2
BSc (Hons) International Management students will take International Business [20] whilst BSc (Hons) International Management with American Business Studies students will take American Society and Economy [20].

Our University Language Centre offers optional course units in over 15 different languages at all levels [10-20].

An additional 10 credits may be chosen from University College (see p.38), including the Manchester Leadership Programme.

Year 3
You will spend your third year on an international academic exchange, selecting course units from the selection available within the partner institution.

Final year
You will return to Manchester for your final year, using the knowledge and experience gained on exchange in a range of optional course units across all key disciplines.

You will develop an appreciation of economic, social and cultural differences between nations and the implications of this for management systems and practices.

You will choose 120 credits from across the management portfolio, which includes (but is not limited to) the course units listed to the right. An additional 10 credits may be chosen from University College (see page 38) and up to 20 credits from the University Language Centre.

The content and structure of our programmes is reviewed regularly and it is expected that course content will be updated after the publication of this brochure. For the latest information please visit our website.
Study abroad

Combine your studies in Manchester with the cultural experience of university life in another country - from Singapore to Switzerland.

As a BSc (Hons) International Management or BSc (Hons) International Management with American Business Studies student, you’ll spend a full year abroad between your second and final years of study.

Benefits of a work placement

- Enhanced employability
- Secure an international summer internship
- Build an international network
- Increased cultural awareness
- Greater independence
- Travel the world

Facts and figures

Students who go abroad are 9% more likely to gain a 1st or 2:1 degree and 24% less likely to be unemployed (UUKi 2017)

At Alliance MBS, 95% of IM students and 97% of IMABS students have graduated with 1st or 2:1 degrees over the past three years

90% of IM students are in employment or further study within 6 months (Unistats 2018)

“I studied at ESADE in Barcelona and interned at a local PR agency in the summer. Working in an international office and interacting with clients on a global scale definitely increased my cultural awareness.”

— Christina,
BSc (Hons) International Management

“The year in the US absolutely shaped my career. After graduation I joined Ogilvy in London and transferred to New York.”

— Jamie,
BSc (Hons) IMABS

Exchange partners

We have 50 exchange partners across 18 countries, many of whom feature in the Financial Times top 100 global rankings. Since all classes are taught in English, there are no language requirements for these degrees. Your choice of partner includes USC Marshall School of Business – a stone’s throw from the Hollywood Hills and Santa Monica Beach – and UBC Sauder School of Business in Vancouver, within striking distance of Whistler’s world-famous ski slopes. Visit the fashion capital of the world at Bocconi University in Milan or opt for front row seats to the Grand Prix at the National University of Singapore.

Money matters

You will receive a significant tuition fee discount for the year abroad. UK/EU students currently pay £1,350 and international students pay half the standard international fee. You will not pay academic fees to your chosen exchange partner.

Additional support is available to UK students from low income households – visit www.manchester.ac.uk/studentfinance for the latest information. Students in England should visit www.gov.uk/travel-grants-students-england for advice relating to the student travel grant.

N.B. The above information is subject to confirmation each academic year.

Follow exchange students Hans and Alex on a typical day in San Francisco and Hong Kong - visit www.alliancembs.manchester.ac.uk/ug/hans and www.alliancembs.manchester.ac.uk/ug/alex

Visit www.alliancembs.manchester.ac.uk/ug/exchange for a full list of our exchange partners
BSc (Hons) International Business, Finance and Economics

Available with a work placement

This interdisciplinary course offers you the opportunity to study a wide range of course units across finance, accounting, economics, business analysis, innovation, strategy and political economy.

Study contemporary contextual themes, such as the globalisation and financialisation of business, hedge funds and private equity, and the social and economic implications of outsourcing.

This course includes an optional work placement in your third year, before returning to Manchester to complete your final year.

Graduate employers look for candidates with work experience, practical skills and professionalism. Build your confidence, develop a real-world attitude to business, earn a salary and gain increased responsibility and independence.

Find out more about our placement scheme, including the main benefits, typical salaries and placement student profiles on page 40.

Employability

Selected course units grant exemptions from professional accountancy exams, including one ICAEW ACA paper, seven ACCA papers and seven CIMA papers.

What jobs do our IBFE graduates go into?

Examples include:
- Associate auditor
- Business consultant
- Commercial strategist
- Corporate banker
- Derivatives analyst
- Export manager
- Tax analyst

Who employs them?

A wide range of companies including:
- Aon
- Accenture
- Deutsche Bank
- KPMG
- London Stock Exchange
- PricewaterhouseCoopers
- Rolls-Royce
- Santander
- Sky

What about further study?

IBFE graduates have gone on to law conversion courses and further study in finance and international business at institutions such as ESADE Business School (Barcelona), Humboldt University (Berlin) and the College of Law.

BSc (Hons) International Business, Finance and Economics

— What you study

Year 1

Your first year begins with a broad introduction to the study of business, finance and economics.

This will enable you to make an informed choice of areas to study later in the course. You will learn the technical skills of macro, micro and managerial economics and financial reporting.

Year 2

You will study core course units in finance, managerial economics and business strategy.

You will also choose options from accounting and finance, economics and contexts for international business. You will gain practical report writing, financial and competitor analysis and database skills.

You have the opportunity to learn a language— you can choose from 15 different languages at varying levels and you can continue this study into your third year. Visit www.languagecentre.manchester.ac.uk for full details.

“... The combination of finance and economics was crucial in providing a good knowledge base for my career. I work for a global alternative investment adviser, investing capital and resources across multiple segments and markets.”

— Andrew Scanlon, IBFE graduate now at Värde Partners

Please note that course units are subject to change and can vary from year to year.

For detailed information on individual course units visit the course listing on our website.

Year 1 core course units [credits shown in brackets]

Plus one of the following:

— Microeconomics II [10]

Our University Language Centre offers optional course units in over 15 different languages at all levels [10-20].

10 credits may be chosen from University College (see p.38), including the Manchester Leadership Programme.
Undergraduate Study – 2019 Entry

Work placement

If you successfully apply for a work placement this will take place between your second and final year. You will put theory into practice, develop transferable skills and gain an insight into your chosen profession.

Previous IBFE students have completed work placements at Accenture, Aldi, British Airways, Deloitte, L’Oreal, Morgan Stanley, Pfizer, Utilita and Walt Disney.

Final year

You will take compulsory course units in international finance, managerial economics and international business analysis.

You will also choose options in accounting and finance, contexts for international business, economics and modern languages. You will choose 60 credits of optional course units, including up to 20 credits from our University Language Centre.

The International Business Analysis Project allows you to critically analyse contemporary business practice from a social and political perspective. You will question the classical strategy tradition by exploring how the pressure to deliver shareholder value complicates the job of management.

---

“There were so many different areas that I could focus my strengths on; having such variety across three different disciplines has given me a wider skill set. Understanding and learning about business and the economy as a whole made the transition from being a student to working life much easier.”

— Emily Howeller, IBFE graduate

I hope you enjoyed my little insight into a placement student at AMBS! Feel free to contact me on linked in: Louis Rushton and...
BSc (Hons) Information Technology Management for Business

Available with a work placement

Developed in collaboration with leading global blue-chip employers, this degree aims to create ‘the ideal graduate’ whose skills span the challenging middle ground between business and IT.

You will learn about the application of technology within the modern workplace across diverse industries. No previous technical experience is required – only a passion for harnessing innovation and creativity to improve the management of IT and those who use it.

Employability
Kick-start a successful career in the digital economy - our ITMB graduates are equipped with the skills and experience to apply technology-based solutions to strategic problems, presenting their ideas with confidence and managing their implementation.

A work placement year will enhance your academic and career prospects - 100% of ITMB placement students achieved a first or upper second class degree between 2015-17.

What jobs do our ITMB graduates do?
Examples include:
- Business process and systems analyst
- Cybersecurity specialist
- Data analytics consultant
- Digital marketing and social media executive

These are ‘Tech Industry Gold’ programmes, accredited by Tech Partnership Degrees – the industry accreditation for tech and digital degrees. Visit www.tpdegrees.com to find out more.

In light of rapid development in the application of technology in business and the growth of the digital economy, we are currently developing the content of this programme. Please see our website for the most up-to-date information.
BSc (Hons) Accounting

Available with a work placement

Part of the Institute of Chartered Accountants in England and Wales’ (ICAEW) Undergraduate Partnership Programme (UPP), providing a fast-track to chartered accountancy status.

The ICAEW holds networking events on campus with companies who offer work placements through the UPP, such as Goldman Sachs, Grant Thornton, Mazars and PwC.

Find out more about our placement scheme, including the main benefits, typical salaries and placement student profiles on page 40.

The course integrates study of the theory and practice of accounting, and offers significant exemptions from professional accounting qualifications, including six ACCA papers and nine CIMA papers. You could gain up to eight exemptions from ICAEW ACA examinations and qualify as a chartered accountant two years after graduation.

Employability

Build your commercial awareness, confidence and employability through workshops and business mentoring with firms such as Accenture, Deloitte, Ernst & Young, Grant Thornton, KPMG and PwC.

High-profile project work

Our students have completed project work for the Treasury, Scottish Government, HMRC and PwC, assessing the tax competitiveness of countries which outperform the UK - and making recommendations to the government to improve the UK tax system.

What jobs do our accounting graduates go into?

Examples of jobs recent accounting graduates have gone on to include:
- Assurance associate
- Audit associate
- Forensic accountant
- Internal auditor
- Procurement intern
- Risk analyst
- Tax advisor
- Trainee chartered accountant

Who employs them?

A wide range of companies, including:
- BDO
- Deloitte
- Ernst & Young
- Grant Thornton
- HM Revenue & Customs
- KPMG
- NHS
- PricewaterhouseCoopers
- The National Audit Office

What about further study?

Accounting graduates have gone on to further study in banking and finance at institutions such as Imperial College London and London School of Economics. Source: DLHE

100% of placement students in employment or further study within 6 months (DLHE)

95% of placement students achieved a first or upper second class degree between 2015-17

“BSc Accounting was different from other courses in that I wasn’t just one student out of 200. There was a small group of us and this made a huge difference - I felt like I was always supported, challenged, and motivated to be the best that I could.”

— Bhavna Dholakia,
BSc Accounting graduate now working as a Financial Controller for The Hummingbird Bakery

 recognised as an ICAEW Partner in Learning, working with ICAEW in the professional development of students.
BSc (Hons) Accounting

What you study

Your first year is designed to introduce you to the foundations of accounting and finance. You will also study course units in mathematics, statistics, economics and law. A specialist course unit – only available to BSc (Hons) Accounting students – will introduce you to the skills and techniques required by the accountancy profession and will begin to prepare you for the workplace. Your first year project involves you preparing a competitive tender for an audit with support from employers such as KPMG.

Year 1

- Auditing and Professional Accounting Practice [20]
- Financial Decision Making [10]
- Financial Reporting [10]
- Introductory Management Accounting [10]
- Law in a Management Context [10]
- Quantitative Methods for Accounting and Finance [20]

Plus:
- Microeconomics 1 [10]
- Macroeconomics 1 [10]

Plus optional course units in
- Management or other related subjects [20]

Your second year will develop your analytical skills and give you a more in-depth understanding of accounting. You will take core course units in accounting and finance, plus a ten-credit business law course unit. You will develop your understanding of business strategy, accounting and auditing practice with a specialist course unit designed to provide you with the theoretical knowledge and practical skills necessary for the work placement year. You will also choose an optional course unit in a related subject of your choice.

Year 2

- Business Law 1: Law, Business Liabilities and the Consumer [10]
- Business Strategy [10]
- Financial Reporting and Accountability [20]
- Financial Statement Analysis [10]
- Foundations of Finance [20]
- Intermediate Management Accounting [20]
- Principles of Taxation [10]
- Professional Accounting Practice [10]

Plus one of the following:
- Business Economics [10]
- Development Economics III [10]
- Financial Markets and Institutions [10]
- Introduction to Business Information Systems [10]
- Investment Analysis [10]
- Mergers and Acquisitions: Financial perspectives [10]
- University College course unit [10] (see page 48)

Work placement

If you successfully apply for a work placement this will take place between your second and final year. You will put theory into practice, develop transferable skills and gain an insight into the accounting profession.

Previous BSc Accounting students have completed work placements at Deloitte, Ernst & Young, Grant Thornton, KPMG, PricewaterhouseCoopers and RSM amongst others.

Final year

Your final year is designed to allow you to choose from a range of more specialised topics. You will also study a core 40 credit project course unit involving an individual company project. Placement students will have the opportunity to make use of material collected during their placement, while others will be offered a choice of companies to form the basis for this project.

You will continue your studies in business law and take core course units in taxation, accounting and finance. Your remaining course units will be chosen from a range of accounting, finance, economics or management subjects.

Final year course units

- Accountability and Auditing [10]
- Business Law 2 [10]
- Contemporary Issues in Financial Reporting and Regulation [20]
- Corporate Financial Communication and Valuation [40]

Plus optional course units in
- Accounting, Finance, Management or other related subjects [50]
Pick and mix

Related courses in our School of Social Sciences.

We deliver a number of related degree courses in collaboration with the School of Social Sciences at the University. These students benefit from internationally recognised and research-led teaching in subjects that are complementary to accounting, finance and economics.

The BA (Economic and Social Studies) or BAEcon is designed to give you maximum flexibility and choice. Students follow a broad programme of study before specialising in accounting, development studies, economics, finance, philosophy, politics, or sociology.

What you study

Year 1
You will follow a broad-based social sciences first year, giving you a firm grounding in the social sciences whilst allowing you the flexibility to choose from a wide range of optional course units to suit your interests.

You will study:
— A30 credits of Accountancy and Finance
— 40 credits of Economics
— 20 credits of Mathematics/Statistics
— Plus 30 credits from other disciplines such as social sciences, development, applied statistics, economic history or study skills.

Year 2
You will begin to specialise in one or two subject areas. You will study core course units in more depth and will select up to 80 credits in any one subject area. Optional course units cover specialist topics such as Financial Markets and Institutions, Intermediate Management Accounting and Managerial Economics.

Year 3
During your final year, you will become more specialised in your chosen subject area, choosing from a wide range of relevant options such as Accountability and Auditing, Advanced Corporate Finance, Financial Engineering and Environmental Economics.

Typical A-level offer

AAB

Visit www.manchester.ac.uk/ugcourses for more detailed entry requirements.

Scholarships

We hope to award a number of social responsibility scholarships and international stellar scholarships to students in 2019.

These awards are worth £2,000 p.a. across three years of study. Eligibility criteria: UK/EU and international students achieving AAA at A-level (or equivalent). Additional eligibility criteria may apply.

For the latest information visit www.alliancembs.manchester.ac.uk/ug/scholarships

Entry requirements

GCSE or equivalent
Grade B in English Language and Maths (A in Maths for BSc Accounting)
Grade 6 in English Language and Maths in the newly reformed GCSEs in England (7 in Maths for BSc Accounting)

Plus

GCE A-level
AAB at A-level (AAA for BSc Accounting)
General Studies is normally accepted if one of four A-levels passed in the same sitting. Critical Thinking is not accepted.
Three AS-levels can be accepted in the place of one A-level if all are taken in Year 13. You must have studied these AS-levels alongside another two full A-levels.

International Baccalaureate
35 points overall with 6,6,5 in Higher Level subjects (36 points overall with 6,6,6 in Higher Level subjects for BSc Accounting).
IB students who do not meet the GCSE/IGCSE Maths and English requirements above will need specific grades in the Maths and English elements of the IB – please see www.alliancembs.manchester.ac.uk/ug/requirements for more information.

BTEC Level 3 National Extended Diploma
DDDDD (DDD for BSc Accounting). The subject of your BTEC will be taken into consideration when making a decision on your offer. Please see our website for full details of other BTEC qualifications which are also accepted.

Access to HE Diploma
60 credits are required with 45 credits at Level 3. Of those 45 credits, a minimum of 30 at Distinction and 15 at Merit (45 at Distinction for BSc Accounting).
Where GCSE Maths/English is not at the level stated above, 6 credits of Maths/English must be taken at Level 3 and passed at Merit (Distinction in Maths for BSc Accounting).

International students
We accept a wide range of international qualifications including international foundation year programmes. For full details visit www.alliancembs.manchester.ac.uk/ug/requirements.
We also require you to meet our English language requirements. We accept IELTS (6.5 overall with no less than 6 in any component), CAE (grade C) and GCSE/IGCSE English Language (grade B/B). Please contact our admissions team for advice on the suitability of other qualifications.
Employability

Our graduates have always been highly sought after, with many going on to global blue chip companies, investment banks and leading graduate management training schemes.

Our courses offer great scope for you to shape your studies in line with your career aspirations. During your time with us, you can learn more about different careers through guest lectures, discussions with your academic advisor, summer internships and work placements.

You’ll also have the opportunity to meet employers at our events.

Careers service

Our careers service will prepare you for the competitive jobs market and help you find part-time jobs, volunteering opportunities and work placements. Manchester is the most targeted UK university by graduate employers (High Fliers Report 2018).

To find out more visit www.manchester.ac.uk/careers

Manchester Gold

Career mentoring is a really useful way of meeting people working in your chosen field. Students are matched with employer mentors in a wide range of sectors, including management, finance, marketing, retail and more.

The University of Manchester global alumni community

With 350,000 alumni in 200 countries (and 50,000 graduates from Alliance MBS), you will become part of a truly global network of knowledge, experience and networking opportunities. You don’t have to wait until you graduate to get involved.

Work placements

Employers look for graduates with work experience, practical skills and professionalism. Stand out from the crowd with a placement that applies your academic skills and knowledge to real-world business situations.

Our students have completed placements at Boeing, Deloitte, KPMG, L’Oréal, Porsche, PwC, Unilever and Walt Disney, amongst others.

Completing a placement will help clarify your career goals, gain an insight into the way organisations operate and the challenges they face, and provide you with networking opportunities. Many of our students secure graduate positions with their employers during their placement year.

What do our students say?

“90% of my role was digital/creative orientated – creating new content for social media, helping design the new e-commerce website and making brochure adverts. I was asked to stay on as a student brand ambassador during my final year and I feel more relaxed about getting a job in the future as I have made so many useful connections which have opened many doors.”

— Hannah spent her placement year at Mast-Jägermeister UK as a Marketing Intern

“I have worked with training managers across China, the US, Middle East, Europe and Russia. This has given me an insight into how businesses approach different cultures and an understanding of the structure of a multinational corporation. As I progressed with my projects more responsibility has been given for me to own my ideas and make them a reality.”

— Daniel joined the Retail Academy at Bentley Motors

Benefits of a work placement

Gain practical work experience
Create a network of industry contacts
Earn a salary (£10-39k)
Increase independence and confidence
Enhance employability
Gain an insight into a specific sector

Facts and figures

Last year 59% of graduate recruits for the top 100 undergraduate employers comprised of previous placement students and interns (RateMyPlacement 2018)

98% of our placement students have graduated with 1st or 2:1 degrees over the past three years

Placement students earn on average £5-6k more per year than other students, until 10+ years after graduation (DfE LEO data 2018)

“Our placement students are immersed in the world of work, gain invaluable experience and become truly valued members of the team. We take pride in developing and upskilling these students and regularly reward top talent with a graduate job offer.”

— Julia Woodcock, Head of Talent Management, Informed Solutions

Who can apply?

Work placements are available to students on the following degree programmes:

– BSc (Hons) Accounting (see page 32)
– BSc (Hons) International Business, Finance and Economics (see page 24)
– BSc (Hons) Information Technology Management for Business (see page 30)
– BSc (Hons) Management / Management (Specialisms) (see page 12)

Full-year placements are not currently available on BSc (Hons) International Management or BSc (Hons) International Management with American Business Studies as these students spend a compulsory year abroad. However, many apply to summer internships and some opt to complete international internships – often in the same country as their chosen exchange partner.

Money matters

Salaries for our placement students ranged from £16-50k in 2017-18, with the average student earning around £20k.

You will receive a significant tuition fee discount for the placement year, UK/ELI students currently pay £1,800 and international students pay half the standard international fee.

Additional support is available to UK students from low income households – visit www.manchester.ac.uk/studentfinance for the latest information.

N.B. The above information is subject to confirmation each academic year.

Follow placement students Tom and Louis on a typical day at Brain Feed and L’Oréal – visit www.alliancembs.manchester.ac.uk/ug/tom and www.alliancembs.manchester.ac.uk/ug/louis
There’s a reason our graduates are the most targeted by the UK’s top graduate recruiters (High Fliers Research 2018). We offer you the opportunity for true personal and professional change and growth. We call it Stellify.

We encourage you to broaden your horizons, understand the issues that matter in contemporary society and step up to make a difference to local and global communities. You’ll do more, dream more, try more and be more.

Find out more at www.manchester.ac.uk/stellify

STELLIFY

LEARN WITHOUT BOUNDARIES

ELLIO T AGUIRRE

BSc (Hons) International Management

Spending a year abroad in Hong Kong

I spent my third year studying at the world-renowned University of Hong Kong. Apart from discovering a vibrant culture, meeting new people and amazing travel opportunities, I experienced a valuable new learning environment which taught me how to look at things from different perspectives.

I developed a global outlook, boosted my cultural awareness and confidence, and made many new friends and contacts. The whole experience was life changing.

UND ERSTAND THE ISSUES THAT MATTER

DYLAN LALL

BSc (Hons) Management (International Business Economics)

Championing social responsibility

As a social responsibility scholar (see p.54), I believe in actively contributing towards making a difference. This is why I volunteer for the Sikh Sewa Organisation, supporting their #langar4all initiative by providing food, clothes and support to the homeless and less fortunate.

In my experience, seeing how grateful these people are shows that even the simplest gestures of goodwill go a long way to making a positive impact on our local communities and tackling the issues that matter.

STEP UP AND LEAD

MEGAN CHITTOCK

BSc (Hons) International Management with American Business Studies

Becoming President of the International Programmes Society

Throughout my time at the Business School, leadership opportunities have always been encouraged. I studied ‘Leadership in Action’ and learned about different leadership styles from high profile leaders from the public, private and voluntary sectors.

When I returned from my year abroad, I took a leadership role within the International Programmes Society. As President I was able to draw on the skills I gained from the leadership course unit, as well as my wider university experience.

LOOK TO YOUR FUTURE

MARTA SUÁREZ MATEOS

BSc (Hons) IT Management for Business with Industrial Experience

Getting a graduate job offer from my placement

I spent 12 months working for Credit Suisse as a Technical Analyst. It was an invaluable experience which helped me to develop both my personal and professional skills, which have been very useful throughout my final year at Alliance MBS.

I moved to London, met some amazing people and was offered a graduate job at the end of the year which I intend to take up after graduation.

MAKE A DIFFERENCE

ALEXANDRA GATHUKIA

BSc (Hons) International Business, Finance and Economics

Mentoring primary school pupils

As a lover of current affairs and debate, it was important for me to continue this passion at university. I joined the Model United Nations Society and found out about volunteering at a local primary school as a ‘Debate Mate’ mentor.

During our sessions, the pupils gained wider knowledge of current affairs and held constructive debates on topical issues. I learnt a great deal from this experience and really felt that I had made a difference to the pupils’ skills and aspirations.
Student support

We have a wealth of specialist support services at Alliance MBS to help you look after your general wellbeing and to keep you on track academically.

Student induction
An induction programme for all new students takes place during welcome week to help you settle in. This includes:

— the opportunity to meet other students on Alliance MBS courses
— meetings with your programme director, student support staff and your peer mentor
— a coach tour of Manchester
— the opportunity to join student societies and various social events
— a careers panel with recent Alliance MBS graduates.

To find out more visit www.welcome.manchester.ac.uk

Academic advisors
You meet your academic advisor fortnightly as part of a first-year course unit. Your academic advisor is there to support you throughout your studies on matters of an academic nature.

Student support and advice team
If you’d prefer to talk to somebody outside the School, our student support and student money advisers based in The Atrium in University Place offer confidential appointments and drop-in sessions throughout the year.

To find out more visit www.studentsupport.manchester.ac.uk

Student mentoring scheme
We operate a peer mentoring scheme, to provide first year students with a second or final year trained mentor who will be able to provide practical assistance with settling into student life.

Student representatives
We appoint student representatives across every year group and subject area. Their feedback helps us to improve the student experience at Alliance MBS. All students have the opportunity to take on this important role.

Student support and guidance team
Your first point of contact within the School for any ill health or other personal problems which are affecting your work.

Students’ Union
Our Students’ Union has an advice centre to assist you with academic issues and a peer support centre whose services include Nightline, a confidential listening and information service run for students by students.

To find out more visit manchesterstudentsunion.com

Tuition fees
In 2018 we charged annual tuition fees of £9,250 for UK/EU students and £22,000 for international students. Fees are expected to increase slightly for 2019 entry. For the latest information please visit www.manchester.ac.uk/studentfinance

Virtual open day
If you can’t make it to one of our on-campus events, our virtual open day is the next best thing. Find out more about current students’ experiences, our courses and campus. Visit www.alliancembs.manchester.ac.uk/virtualopenday

This brochure was printed in June 2018 for the purposes of the 2019 intake. It has therefore been printed in advance of course starting dates. For this reason, information contained within the brochure, for example, about course content, may be amended prior to you applying for a place on a course of study. Course entry requirements are listed for the purposes of the 2019 intake only.

Prospective students are therefore reminded that they are responsible for ensuring, prior to applying to study on a course of study at the University of Manchester, that they review up-to-date course information including checking entry requirements, which is available by visiting www.manchester.ac.uk/study/undergraduate/courses and searching for the relevant course.
